## AWARDS

Program books will be posted on Wednesday,  
March 13th by 5pm.

### **“Share your personal comments in our Free Program Book”**

Tribute provides program books *free of charge* in a pdf format that we upload to our website the Wednesday before the event. Remember we do **NOT** sell program books at the event, so you can either print your copy prior to the event or view the book on any smart device at the event. For special comments and well wishes, I added a feature called “**Tribute to Family and Friends**”. We may have a few comments or several to add to the book, but I at least want to offer the opportunity for others to share feelings. I want parents, teachers, dancers and relatives to have a place where they can share their love, support and appreciation for each other with heartfelt comments. All posts are asked to be 100 words or less. I look back on my life and remember the cards and letters I received from my parents and friends that I still have and will remember and cherish forever. If you would like your kind words posted in the program book, go to our website **[www.tributetodance.com](http://www.tributetodance.com)** under program books and click on program book comments to submit your comments for the city you are attending. **The deadline to send a comment is the Monday before the event by 9am.**

### **Video and Photography Reminder**

At Tribute, we prefer to not have a vendor that takes pictures or video records the routines. Each studio in attendance will be given one photographer and one video pass to use during the competition. Studio Owners, you may select as many individuals from your studio to have a rotation in place or as some do have a professional photographer attend and take pictures and or video for your studio. Passes will be given to the studio owner upon arrival and ID passes must always be worn by the studio representatives. In some locations there will be a designated area reserved for video and photography. **\*\*While YOUR studio is performing, I do allow photographers to move freely for better shots as long as they are not interfering with our judges, dancers or those in the audience trying to view a routine from your studio\*\*.** Tribute has the right to revoke any photography or video pass at any time for any reason.
