Dear Teachers, Dancers, Family and Friends,

Welcome to the 2019 Season at Tribute National Talent. As we celebrate our 8th season, we feel very blessed to host an event that gives us the opportunity to do what we love while spending time with so many wonderful people. We hope you feel very welcome and a part of our family as you enjoy seeing all the outstanding dancers who will grace the stage this weekend.

As we grow older, we begin to see things in a different light and our thoughts and feelings seem to be more important and significant. Over the last several years I have written welcome letters that talk about what Tribute is all about. Now going into our 8th season, I just wanted to simply say THANK YOU. As parents, we cherish every moment we can spend with our kids as they grow. Dance teachers also feel this way since they are like family as they see the dancers grow up in the studio and then graduate. In 2010 after my father passed, I knew I had to make some changes in my life so I could be a better husband and father. My son was 7 years old and my daughter was 2 years old at the time. I remember that before I started Tribute, I missed so much time with my own family when I was gone on the road so often and then all summer doing nationals. As I share this picture with you of me and my children from 2014, I am reminded of how truly blessed I am. Seeing this picture reminds me of why I made a change and started Tribute, which has been one of the best decisions I could have ever made for my family. Before I know it, my kids will be all grown up and on their own, so we treasure our time together as we make memories along this journey. So, thank you for allowing me to have this time with a career that I love and for supporting our small family business.

As you can see on page one of this program book, I wanted this year’s art to stand for something rather than just a cover with a logo. Images and pictures that we see can be very inspirational. With the scene of mountains and the sunset it makes you think of an old saying “Everyone wants to live on top of the mountain to see all of God’s beauty around them, but all of the happiness, growth and fond memories occur while you are climbing it”. This reminds us to work hard and to do our best to achieve our goals for the future, but most importantly to cherish every step you take and to find what really makes you happy as you climb your own mountain and follow your dreams.

We can’t thank you enough for attending Tribute this weekend with so many events to choose from. On behalf of the Tribute Family, we hope you find your time with us enjoyable and as you leave you feel that your choice to attend was one you are pleased with. We will always do our part to focus on what we can do for others and how we can make a difference in the dance community.

One College Park Dr. St Louis, MO 63141

1) On the next few pages you will find detailed maps of Missouri Baptist University. Tribute will be in the Dale Williams Fine Arts Center. There is parking around the theater. See Map for circled parking areas. The main entrance is in on the East side of the building as well as in the front.

2) Due to limited backstage space and safety, Props should be unloaded on a daily basis only and cannot be stored in the backstage area. At this venue props cannot be unloaded all at once. For props there is a large access door behind the building which is ground level with the stage. There is no loading dock at the venue and everything is ground level. Note that there is limited backstage space so all props must remain outside or on trailers until used for routines. There is a large concrete pad outside by the stage door in which to construct props.

3) The venue will be providing concessions that will be open during our event with a variety of food and drink. They provide a designated area for eating and there is plenty of room to eat in the lobby. Please help keep the venue clean as they have just replaced all of the carpet in auditorium, so it is asked that **NO FOOD OR DRINK BE BROUGHT INTO THE AUDITORIUM AREA** and **ONLY BOTTLED WATER IN THE DRESSING ROOMS PLEASE.**

4) Dressing rooms are assigned for this event and please refer to page 5 for assigned dressing rooms. There will be 7 designated areas for dressing rooms and one boy’s dressing room. On the main floor there will be 4 areas and on the lower level there will also be 3 areas to use. Note that space 7 is a very long hallway that will be used as overflow dressing space. **MEN ARE NOT ALLOWED DOWNSTAIRS IN THE LOWER LEVEL DRESSING SPACE AREA.**
**DRESSING ROOM ASSIGNMENTS**

Here are the assigned dressing rooms for our event. I am basing the assignments on the size of each room and the number of dancers that will be performing each day by studio. Based on those numbers here are the assigned dressing areas. *If for any reason the rooms become crowded during groups, we ask that if there is more space in any of the rooms to please share with other studios.*

"The Touching Hearts Award"

We all know that love and compassion towards others starts from your heart, so in honor of my son Jonah who has a heart condition, I created “THE TOUCHING HEARTS AWARD”. This award will signify and acknowledge thoughtfulness, compassion and love towards others at each event. Something as simple as a genuine thank you, applauding for others, saying great job or congratulations, sharing with someone who might have forgotten something they need or giving of yourself to help someone in need. Instead of just our staff selecting a winner or through some type of contest, I am asking for everyone who attends our event each weekend to play an important role in the selection process. I will ask for others to nominate studios (other than their own) simply by filling out a provided card and placing it in this nominating box. The only thing you will need to do is list the studio to nominate and a short example of something you witnessed or experienced. Sometimes we don’t always see or hear acts of generosity that go on behind the scenes at events and this will now give us all a chance to hear about something positive and inspiring that took place during the weekend.

AWARDS
JUDGES SCORING PROCESS

The scoring system is the same for both the Honor and Supreme Levels.
Each performance will receive up to 100 points per judge based on the following criteria.
Technique (15-40 points), Execution of Performance (15-30 points), Showmanship (5-20 points),
Choreography (1-5 points), Overall Appearance (1-5 points). Each act will be judged from an adjudicated point system with multiple 1st and 2nd place awards presented within each age group for each category. There are multiple 1st and 2nd place awards within the same age division of the category that will be broken down and announced in placement order lowest to highest.

The scoring scale breakdown
Supreme 1st Place 285 - 300 points (95-100 per judge)
Elite 1st Place 278 - 284 points (93-94 per judge)
1st Place 270 - 277 points (90-92 per judge)
2nd Place 255 - 269 points (85-89 per judge)

The judge’s panel will break any and all ties for the overall Top Ten Finalists. Should a tie occur, first the computer system will add the 3 judge’s technique scores together; if still not broken the 3 scores from execution will be added, and if still not broken the judges will make a final decision through discussion.

REGIONAL CASH PRIZES

ALL PRIZE WINNINGS WILL BE IN THE FORM OF CASH PRIZES AND
NO GIFT CERTIFICATES WILL BE AWARDED
SINCE THE ENTRY FEES ARE THE SAME FOR BOTH LEVELS

Each Petite, Junior, Teen and Senior Large Group High Point winner will receive $125.00

THE JUDGES CHOICE AWARDS will be presented to the studios with the most entertaining numbers of the event from all ages combined from both levels. The judges will decide this not by score, rather by discussion. The two winning numbers will each receive a $200 cash award.

| Your Program Book Comments  | It is hard to express in words how proud we are of our team this year. Our dancers have met and exceeded all of our goals and expectations we have set for them. Each week they show growth at practice and each competition their growth shines on stage. We want our girls (and boy) to know how proud we are of you all and how much we love you. Get out on that stage this weekend and dance your hearts out; eat the judges, be the boogie board bandit, sing the songs, point the feet, shake it harder than your granny, drop it like it's a hot potato, split on 7, shake and pop it, sprinkle the pixie dust, bring the crowd to tears, be fierce and fiery and most importantly HAVE FUN! You shine bright like diamonds and make our hearts burst with confetti and we could not be more obsessed with you guys!  

Love,  
Kalee & Kourtnie |

Wanted to express how fun this competition is for my little one and well my oldest when she danced! Nice to see all the dancers come together to have fun and create memories that will last a lifetime. There seems to always be a special bond that dancers have between each other and these competitions seem to make them alot stronger!

Thanks for continuing to be there for these amazing little people!

Thank you to all of the dance studios and families that supported Tribute in 2019..
We are so appreciative and hope to see you in 2020
